## We're with you all the way

When you invest in a new Plaxton coach, you're also investing in top-quality after sales service.

Plaxton Customer Support is dedicated to keeping your vehicles where they belong – on the road, earning money. The Plaxton Customer Support operation is staffed by people who understand the coach business. They realise the importance of a prompt response, whether it's ensuring that a vital part is delivered promptly to your workshop, or attending to a vehicle breakdown.

Roadside support is provided 24/7 by a network of UK and European service agents, managed and monitored from a dedicated control centre.

We also offer an unrivalled glass replacement service with teams covering the UK.

For parts and service Plaxton Customer Support provides the back-up you need, when you need it. Fast.
